

REISE 
+ CAMPING

FINALLY HOLIDAY AGAIN !
22.-26.02.2023

REISE + CAMPING TRENDS & NEWS!

REISE + CAMPING 2023 - the largest tourism trade fair in NRW - presents a nature-oriented and attractive holiday world that uniquely combines the holiday experience for young and old through sustainability, safety and trends.

Present yourself to a target group that redefines camping and activity and seeks travel adventure in nature. Inspire the fair visitors with your products and offers and convince them with new holiday possibilities.

The FAHRRAD ESSEN takes place on four days at the same time. In this way, you profit additionally from synergy effects!

Hall 1, 2, 3	Vehicles, vehicle technology, mobile homes	
Hall 6, 7	Camping, Accessories	Theme Worlds
Hall 7, 8, Galeria	National and International Tourism	
Hall 4, 5	FAHRRAD ESSEN (23.-26.02.2023)	

TRAVEL & TOURISM

With a distant or nearby destination, as a package or individual trip or also as a cycling, glamping or caravanning holiday - experience and relaxation have many facets.

In addition to national and international tourism, the BVCD presentation "Campingland Deutschland" is also present at the fair.

In the meantime, the "Erlebnis Kreuzfahrten" section has become an integral part of the fair and attracts numerous interested people who want to conquer rivers or oceans in complete comfort.

CAMPING & CARAVANING

For those interested in camping, REISE + CAMPING is a "must". Here you can excellently show what makes camping an unforgettable experience. And what there is to discover in terms of glamping, travelling by motorhome or outdoor accessories, both tried and tested and new. Because the camping boom in Germany continues unabated and is still growing - whether in tents, caravans or motorhomes.
